Dear Parent/Guardian,

My name is Dr. Dan-Udekwe. I am your child's mathematics (Algebra I) teacher for the academic year.

Your child this year has the opportunity to learn and grow in High School mathematics and get the important skill for higher education. All the students will be taking the PSAT and the ACT and other examinations that prepare them for either college or employment. Please be assured that I am here to assist them understand the mathematics they will be learning and doing and as well as to prepare them for the examinations. I look forward to meeting you in person to discuss your child's progress.

Should the need arise to reach me, you can call me on the telephone number above or use the email, edanudekwe@bridgeportedu.net. My full name is shown below and my room is #315. No matter the circumstances, I will respond to your call or mail as quickly as possible.

Thank you.

Yours truly,

Emeka Dan-Udekwe, Ph.D.
