

THE COMMISSIONER'S  
2025 SUMMER  
**MATH**  
CHALLENGE

## Join the Summer Math Challenge: Two Exciting Ways to Participate

### Grades K–8

#### Connecticut's Summer Math Passport

1. Go to the [Summer Math Challenge page](#).
2. Print the Passport.
3. Complete the problems for each category that corresponds to your grade level in the passport.
4. When summer ends, return your passport to school and record your adventures in the log.

### Grades 3 to High School

#### Khan Academy Get Ready for Grade Level

1. Go to [Khan Academy Math: Get Ready Courses](#).
2. Sign up for an account or log in to an existing account and begin the course for the grade level for next school year.
3. Practice math every day to keep your skills sharp.
4. When summer ends, record the number of missions you completed on Khan Academy on the log.

The Commissioner's Summer Math Challenge is a FREE math skills maintenance program based on the Connecticut Core Standards for Mathematics. The program is designed to help kids retain math skills learned during the previous school year.

The Connecticut State Department of Education is an affirmative action/equal opportunity employer.
