## **NEW BUSINESS:**

The next agenda item was on an agreement between Xerox Corporation and the school district.

Mr. Benejan joined the meeting.

Marlene Siegel, chief financial officer, said the key elements of the proposal include a new five-year term, beginning January 1, 2022, and will include maintaining all existing Xerox services already in place and will upgrade 187 of 253 Xerox devices. She said in many cases the upgrade will be a new device. All school main offices will have a color MFD device.

Ms. Siegel said during the pandemic the volume of copies dropped significantly. She said going forward we do not want to pay for copies unless we use them.

Ms. Siegel said Xerox has included a Covid-19 credit in the new contract, which is \$45,000 for Bridgeport. The monthly

cost of the new agreement is \$2,750 per month, or \$32,581 per year. However, there will potentially be payments for copies in excess of allowances in the contract.

Ms. Siegel said as in the past we do not have to go out to bid since we were utilizing pricing in state-sponsored contracts.
