High School Magnet Entrance & Performance Expectations Policy

The magnet schools (Central Magnet, Fairchild Wheeler, and Bridgeport Military Academy) encourage students to pursue academic excellence. Instruction is centered on specific themes: project-based learning, language arts, world languages, and science (themes are listed by school as stated in the prior sentence). The magnet programs are rigorous and intended to groom students for college. We expect our students to excel in academic study and demonstrate personal conduct appropriate to an academic learning environment.

Bridgeport Public Magnet Schools are open to all students on an equal basis, including students with disabilities. A student with a disability retains all rights under IDEA in each of these schools. School personnel must ensure that a student's IEP and 504 Plan is implemented, and all services are delivered.

The high school magnet programs expect all students to be successful. However, to maintain academically high standards, high school students who do not meet our minimum academic, attendance and/or behavioral requirements will be supported through a series of interventions. If after the implementation, documentation, and evaluation of intervention practices prove to be unsuccessful the students may be, at a time deemed appropriate, reassigned from the magnet school to their neighborhood schools.
