**Wondering about Class Dues?**

You are probably wondering why you have to pay dues and purchase tickets to these events... here's the answer: class dues are paid to offset the ticket prices of the events. There is a lot of work put into finding quality venues that are safe and will accommodate our large numbers; these venues are not cheap. We also try and consider that you have your own expenses when you attend these events. We charge dues to cover partial ticket prices as well as all additional costs like: security, photo booths, DJ, decorations, transportation, favors (the list goes on and on). We also have a Senior BBQ at the end of the year.

**Why are Junior dues double?**

We double up on Junior dues because there are already 2 events senior year plus you have to pay for your cap and gown, yearbook, and class ring. Isn't that enough? We thought so!

**So, what do I owe?**

Sophomore year dues	\$20 (\$25 if not paid by 11/10/2016)
Junior year dues	\$50 (\$55 if not paid by 11/03/2017)
Senior year cap and gown	\$60 (this is collected at the end of the year and is <u>MANDATORY</u> for all students planning to participate in CHS graduation)
