Parent/Guardian Consent & Signature

I give my child permission to obtain ON-SITE MEDICAL SERVICES.	☐ Yes	☐ No
I give my child permission to obtain ON-SITE/MOBILE DENTAL SERVICES	☐ Yes	☐ No
I give my child permission to obtain ON-SITE BEHAVIORAL HEALTH SERVICES	☐ Yes	☐ No

I, the parent/guardian of the student, give consent for my child to receive the services checked above at the school-based health center. I understand that this consent will be valid for two years, or until I provide the school-based health center staff written notice of my revocation. All healthcare information is confidential under applicable law.

I understand that my consent permits the school-based health center staff to communicate my child's health information on an as needed basis with the school nurse and your child's regular doctor (if applicable) with the understanding that this information will continue to be treated as confidential under applicable law. No student will be denied access to health care services due to the inability to pay. When available, insurance or Medicaid will be billed. I consent to the health center releasing information regarding treatment to third party payors for billing purposes.

I understand that confidentiality between my child and the health center staff will be maintained for certain services in accordance with applicable law. By law, some information requires your child's written consent prior to disclosure to anyone, including parents/guardians. The health center staff will encourage every student to involve his/her parent/guardian in health care decisions. I am the legal guardian of the above named child. I understand that if guardianship changes, a new consent must be signed by the legal guardian. I also understand that by providing an alternative contact, if I cannot be reached, medical information regarding the above named child will be shared between the health center clinician/staff and the alternative contact.
