

# Getting Ready for Third Grade!

Dear Families,

I am very excited about teaching 3<sup>rd</sup> grade. I am looking forward to another GREAT year with our class!

Over the summer, please have your child do the following:

- Read **every day**
- Practice/memorize multiplication facts 0-10
- Complete the summer packets

**It is VERY important for your child to practice and memorize their multiplication facts. You can have them make flash cards or find an app/website to practice.**

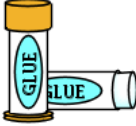

Third grade is a year of great academic and social growth and change. The academic expectations in third grade are not only more challenging but students also are becoming more independent. My goal is to provide your child with the tools needed to be successful.

As always, please feel free to contact me via email [cschumacher@bridgeportedu.net](mailto:cschumacher@bridgeportedu.net) or Parent Square with any questions and/or concerns.

Have a GREAT summer!

Ms. Schumacher
