

# Getting Ready for Third Grade!

Dear Families,

Soon your child will be entering the wonderful world of 3<sup>rd</sup> Grade! My name is Kimberly Quinn and I have been teaching at Multicultural Magnet since 2001. I am pleased and excited to have your child in my classroom next year.

You are the key to your child's academic success! Third grade can be quite challenging and it is the first year that they will take the Smarter Balance English Language Arts and Math test based on the Common Core State Standards (CCSS). To help your child start his or her third grade year off right, I have enclosed work to keep your child moving forward. Students will receive a grade for their work. Please make sure your child puts in his or her best effort and returns this packet the first day of school:

Completed Activity	Parent Signature
2 Fiction Book Reports	
2 Non-Fiction Book Reports	
2 <sup>nd</sup> to 3 <sup>rd</sup> Grade Summer Packet	
Multiplication Practice Sheets	
Governor's Reading Challenge	
Memorized Multiplication Facts 0-5 (If possible, students should also start to memorize the 6-10's)	
Review Addition and Subtraction with Regrouping and Zeros up to 10,000	

I have attached a contact information form that needs to be returned the first day of school. In addition, you will find information on classroom supplies and the uniform policy. **Please be aware that the uniform policy is strictly enforced in my classroom.** The classroom tends to get chilly, so please make sure to purchase appropriate uniform sweaters for your child during Back to School shopping.

Third grade is a year of great academic and social growth and change. My goal is to provide your child with the tools needed to be successful. I have high expectations for both the students and myself. I expect all of us to always put in our best effort, enjoy learning together, and to treat everyone in our classroom community with respect. Feel free to e-mail with any questions or concerns at: [kquinn@bridgeportedu.net](mailto:kquinn@bridgeportedu.net). I look forward to the privilege of teaching your child. Together, we can help your child succeed!

Sincerely,  
Ms. Quinn
