- POTENTIAL CLASS TRIP?
 - It is challenging to go out of state and schools are legally required to have 1 chaperone per every 8 or 12 students which means teachers are required to go
 - With the amount of seniors we have, we wouldn't be able to get enough coverage for the number of teacher chaperones required to supervise.
- HOMECOMING HARVEST DANCE – Friday October 18th 5-8:30pm
 - Casual and in the courtyard
 - NO FOOD SERVED, only concession stand
 - It is a fundraising event for the seniors so encourage the underclassmen to go

- Volunteers needed to help set up or run the concession stand

End time 3:25 PM
