The Bridgeport Public School Student Code of Conduct can be found at:

[www.bridgeportedu.net](http://www.bridgeportedu.net) then Board of Education then Policies

We no longer give out paper copies. I have reviewed some of the basic information with the students but please review the code with them so that they fully understand their rights and responsibilities. Please feel free to contact me with any questions. Thanks and have a great school year!

Sincerely,

Mrs. Marshall-School Counselor
