

Dear Preschool Parent/Guardian,

I am excited to inform you that our school will use the Clever University Pre- Reader Learning app this year to support our student's growth in reading by providing them with online books, songs, and games focused on the skills needed for kindergarten readiness.

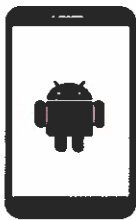

The Clever University Pre- Reader app is **free** to our families and can be downloaded to any device by following these directions;

1. Download the Clever University Pre- K app for free in one of the app stores:

2. The app can be downloaded to any of these devices:

3. Once the app is downloaded onto your device, please create your parent/guardian username and password.

Our school is asking each family to use the Clever Kids University app at home for fifteen minutes a day, five times a week with their child. We will also use the app at school during our center time for reading.

If you have any questions or are in need of assistance, please feel free to contact me.

Sincerely,
